RE: DELAYED PUBLICATION OF 2026 MID-YEAR EXAMINATION RESULTS — UNIVERSITY OF THE WESTERN CAPE

Due to disruptions experienced on campus during the scheduled 2026 mid-year sit-down assessment period, the University Senate of the University of the Western Cape (UWC) has approved a **revised Academic Calendar** for the remainder of the 2026 academic year, including the deferral of mid-year examinations.

Under the revised schedule:

- The deferred 2026 mid-year final examinations are scheduled for **13 – 22 July 2026**, with supplementary examinations taking place from **29 July – 7 August 2026**.
- **2026 mid-year examination results will only be accessible from 14 August 2026.**
- **The third academic term will commence on 19 August 2026.**

As a consequence of the above, students at UWC may not be in possession of their full 2026 mid-year academic results at this time. This delay is entirely attributable to the revised institutional schedule and is in no way a reflection of the academic standing, performance or progress of the individual student.

We respectfully request that bursary providers, funding bodies, prospective employers, partner institutions and any other parties take the above into account when reviewing applications, renewals, registrations or any other matters that would ordinarily require the production of 2026 mid-year results. We sincerely regret the inconvenience this delay may cause and thank you for your understanding and continued support of our students during this period.

Yours faithfully,

Dr Ahmed Shaikjee

Deputy Registrar: Academic Administration
University of the Western Cape
